In marksmanship competition, a boy learns to act like a man. Daisy's 99 "Champion™" B·B Gun teaches the same lessons.

Shooting competition isn't kid stuff. You learn safety and marksmanship. And you learn fast.

The Daisy 99 "Champion" B•B Gun teaches those same lessons, because it's used in competition. It's a B•B gun. Not a toy.

In fact, it's the official gun of the U.S. Jaycees Shooting Education Program. It's the one boys use from local meets to international competition.

You can find out about the shooting education program in your area by contacting your local Jaycee office.

And now you can learn marksmanship with the exciting Daisy B•B Target-Trap. It's a $4 value, now yours for only $1.99 when you buy any Daisy B•B Gun. Take the coupon below to your store when you buy. For even more fun, pick up our booklet, "The Air Rifle Marksman," where you buy your Daisy. It's only 50¢. Learn the lessons of marksmanship competition with the Daisy 99 "Champion"!

Or choose from over 30 other models of Daisy B•B spring-air, CO_2, and pellet guns.

Since the 1800's, American boys have learned marksmanship with a Daisy. Now it's your turn.

Daisy B·B Target-Trap. $1.99

with purchase of any Daisy B•B Gun.

A $4 value.

The kit includes: Trap frame to catch B•Bs / Targetex rubber backstop / Daisy Air Rifle Manual / Full set of NRA 15-foot match targets / Full set of "Pop-Out Bullseye Targets" / (See the Bullseye "Pop-Out" when you hit it!)

TAKE THIS COUPON WHEN YOU BUY.
